

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

April 7, 2000

H. Res. 443

Expressing the sense of the House of Representatives with regard to the centennial of the raising of the United States flag in American Samoa

As ordered reported by the House Committee on Resources on April 5, 2000

CBO estimates that passage of H. Res. 443 would have no impact on the federal budget. The resolution would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply.

H. Res. 443 would recognize the historical significance of the centennial of the raising of the American flag over the United States Territory of American Samoa.

The CBO staff contact is Deborah Reis. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
